During your student's attendance at St. Vincent de Paul High School, we may publish your student's photo on the school website, our promotional literature and/or videos, and any article, press release or other medium of communication intended for the general public. Your student's photos may appear as a group photo for a class, depicting school life or indicating awards etc. Photos are used for advertising purposes only and no home addresses or contact information will appear with such work. For security reasons, if names are published with photos, only your student's first name will be used.
