## ADMINISTRATION AND STAFF

As a Catholic school, SV sets a high standard of professionalism for faculty and staff beyond academic excellence. SV actively encourages professional development of its faculty. Continuing education, professional workshops and seminars, teacher observations and faculty meetings are methods by which our faculty become better teachers and generate a deeper understanding of the social and spiritual needs of our students. Our faculty is expected to model a lifestyle befitting SV. Many also assume extracurricular and coaching responsibilities that place them in direct contact with the students outside the realm of academics.

"Make it a practice to judge persons and things in the most favorable light at all times and under all circumstances."

This handbook summarizes expectations for conduct and behavior as a member of the St. Vincent community and outlines SV policies and procedures, as well as what you can expect if these expectations are not met. This handbook is your road map that will guide you as a student while you live and grow in this community of scholars at St. Vincent de Paul College Prep. Please keep this handbook close at hand and use it as a reference and resource.

Our shared values rooted in our community are best described this way:

- A Catholic high school is a disciplined community, a place where individuals accept their obligations to others and where well-defined governance procedures guide behavior for the common good.
- Freedom is balanced with duty.
- Integrity and honesty are expected.
- Consideration for the needs and rights of others is the norm.
- Disagreement and conflict are mediated through Catholic morality.
- We embrace diversity and welcome students from all cultural, ethnic, and socioeconomic backgrounds.

We look forward to another year of learning, service, and inspiration!

## WELCOME MESSAGE

Dear SV Students and Parents,

**Welcome to the 2024-25 school year!** We are pleased to present to you the latest version of the Student-Parent Handbook. The handbook is of importance to our Catholic school, as it spells out in detail our regulations and procedures. As such, it is the implied agreement between our school and our families upon admission, by which we all agree to operate. Particular attention should be given to the sections on the **Honor Code, Technology, Attendance, Substance Abuse Policy and Dress Code requirements**.

It is a requirement of all community members to review their handbook. Students and parents are required to sign the electronic Student-Parent Handbook Acknowledgement Form emailed to families prior to the start of the 2024-2025 school year.

This handbook may be updated during the school year.

Again, WELCOME to the St. Vincent de Paul 2025-26 school year!

Your SV Administration, Faculty, & Staff

## **PARENT CODE OF CONDUCT**

A necessary condition of continued enrollment at SV is that parents behave in a manner, both on and off campus, that is consistent with the principles and Christian philosophy of SV. These principles include but are not limited to, any policies, principles, or procedures set forth in our Student-Parent Handbook.

It is essential that students, parents, and school officials work together to ensure that each student receives a values-based, Christian education. Normally, philosophical differences between families and the school can be resolved. In some rare instances, however, SV may find it necessary, at its discretion, to require parents/guardians to withdraw their student from the school.

### **Some guidelines include the following:**

- Just as the school expects its faculty and staff to be respectful of our students and parents/guardians, SV expects parents/guardians to work courteously and cooperatively with the school to assist each student in meeting the academic, moral, and behavioral expectations of the school. This includes respectful treatment of all faculty, coaches, moderators, counselors, administrators, support staff, volunteers, other students, and other parents.
- Parents/guardians are encouraged to express their concerns about school operations and personnel to the appropriate administrators and staff. However, they may not do so in a manner that is discourteous, scandalous, rumor-driven, disruptive, threatening, hostile, or divisive.
- Parents must not engage in any form of rumor spreading or gossip regarding matters related to St. Vincent de Paul College Prep, its students, teachers, staff, or any other members of the school community. These types of parent behaviors may be considered bullying or harassment.
- Parents are expected to respect the privacy of all members of the school community and will not share personal or sensitive information about students, teachers, or staff without their explicit consent.

- Parents are expected not to post or share any information on social media that could be considered confidential or could contribute to spreading rumors or gossip. These types of parent behaviors may be considered cyberbullying or harassment.
- Violation of this agreement may result in disciplinary action, up to and including expulsion of the student from St. Vincent de Paul College Prep, and/or legal consequences depending on the severity of the violation.

These behavioral expectations for parents/guardians include but are not limited to, all school-sponsored events (e.g., athletics, field trips) as well as interaction with school staff and other St. Vincent de Paul College Prep students and parents at any other time.

SV reserves the right to determine, at its discretion, which actions fail to meet the principles and Christian philosophy of the school. Failure to follow these guidelines may result in a warning, disciplinary action short of dismissal, suspension of a student, revocation of a parent/guardian's privilege to attend or participate in school activities, or dismissal depending on the severity of the offense.

## **DISPUTE/CONFLICT RESOLUTION PROCESS**

When conflict between school authority and an individual student and their family occurs, it is important that the following process be adhered to so that the rights of all are ensured. All parties involved in a dispute are expected to manifest good faith in their efforts to resolve disputes by maintaining an atmosphere of mutual understanding, confidentiality, and Christian charity. Every effort should be made between differing parties, through open and honest discussion at the onset, to resolve the dispute. In each case, the parties need to meet to provide the opportunity to state the issue(s) clearly and begin work on solutions. The parties are empowered by their participation in the process to affect the outcome. In every case, the parties should attempt to resolve their differences at the level at which the dispute has taken place and before entering this process. For example, a dispute with a teacher must involve an attempt to resolve the difference with the teacher before beginning this process, and before contacting the Dean of Academics and then the Principal. An attempt should be made by the parties involved, i.e., student/teacher, student/coach, or student/administrator to solve differences of opinion or conflict at that level. Appeals to higher authorities will not be considered until this attempt at resolution has been completed. Appeals occur in the following order:

- Teacher/Coach
- Department Chair/Director of Athletic
- Dean of Academics
- Principal
- School Board President (The final appeal at the school level is the President.)

**Step One** In the event that the situation cannot be resolved to the mutual satisfaction of either party through open and honest discussion, the dispute shall be presented within five (5) calendar days of the incident that caused the dispute to the person most directly responsible for the matter involved in the dispute. For example, a parent complaint regarding a teacher's homework policy should be taken directly by the parent to the teacher for resolution.

**Step Two** Disputes concerning school policy or unresolved disputes concerning school personnel shall be referred within five (5) calendar days of the incident that caused the dispute or within five (5) calendar days of the presentation described in Step One to the employee's immediate supervisor for their review and decision. If the dispute concerns an employee, the employee shall be given ample opportunity for explanation, comment, and presentation of facts as the employee sees them. The supervisor shall conclude his/her review of the dispute and render his/her decision within five (5) calendar days of the referral described in this Step.

**Step Three** If the dispute cannot be resolved in Step Two, the complaining party within five (5) calendar days of the supervisor's decision in Step Two may present the dispute to the principal for their review and decision. The principal shall conclude his or her review of the dispute and render their decision within five (5) calendar days of the referral to him or their described in this Step.

**Step Four** If the dispute cannot be resolved in Step Three, the complaining party within five (5) calendar days of the Principal's decision in Step Three may present the dispute to the president for review and decision. The president shall conclude his review of the dispute and render his decision within five (5) calendar days of the referral to him or their described in this step

## **STUDENT CONDUCT POLICY**

### **EXPECTATIONS OF STUDENT BEHAVIOR**

SV maintains an atmosphere that encourages academic excellence, personal growth, and safety. The SV standards of conduct and behavior are based on the principles of Christian morality and the guidance of the Catholic Church. Any behavior that is contrary to the mission and philosophy of SV is unacceptable and may lead to disciplinary action. Respect for all members of the SV community and adherence to school rules are valued and expected. SV discipline is based on a fundamental respect for persons, property, authority, and the mission and objectives of the school. No policy can cover every conceivable situation; the implicit standards of conduct to which SV are called are common sense, mature judgment, responsibility for individual actions, and the values of the Catholic Church. School Administration reserves the right to interpret the school's policies, principles, rules, and discipline, especially in light of the gravity and circumstances of the event, and the particular student's history at SV.

The school reserves the right to discipline students for conduct that is detrimental to the student, another person, the school, and/or the reputation of the school. The administration reserves the exclusive right to modify or otherwise depart from these behavioral guidelines when necessary to further or protect the underlying philosophy or mission of the school. In the case of any disciplinary matter, the Administration may require the student to seek professional assistance for assessment and/or evaluation. Staff members of SV provide guidance and support to help students make the right choices. However, students whose actions violate these principles will be subject to any and all disciplinary actions, including, suspension, expulsion, or the reporting of criminal acts to law enforcement, as directed by the Principal.

The principal has the discretion to administer discipline for conduct committed outside of traditional school hours if it is determined by the principal the conduct is school-related or puts the reputation of

St. Vincent de Paul College Prep at risk. (Example social media posts, drugs or alcohol use, criminal activity).

## **DISCIPLINE**

This handbook empowers the administration and their designees to take disciplinary action for any behavior within the school community that violates the spirit, mission, philosophy or code of conduct of the school. The Principal may use discretion in regard to discipline enforcement or interventions based on the context or circumstances. Disciplinary enforcement or interventions are not a “one size fits all” approach, and the goal of discipline enforcement is to maintain school safety and change student behavior so it is not repeated.

## **AUTHORITY FOR STUDENT DISCIPLINE**

The Principal is responsible for maintaining a positive and safe learning environment for students and staff. The Principal acts as a resource for students, staff, and parents in mediating conflicts and providing direction in terms of student safety, wellness, and behavior. The Principal is empowered to make decisions and impose discipline for violations of School Policy or Philosophy. The principal may utilize various forms of behavior interventions, such as counseling, after-school detention, Saturday detention, or suspension based on the circumstances or individual student case. The Principal’s goal is to maintain safety and change behaviors through effective discipline enforcement, behavior interventions, or counseling.

## **STUDENT DISCIPLINE PROCEDURES:**

St. Vincent de Paul College Prep staff are encouraged and expected to intervene and report student-related behavioral issues to the Principal. For formal disciplinary action to take place, the staff member should put in writing a behavioral referral form, which is then sent to the Principal for review. The staff member documents the circumstances and facts surrounding the behavior, and the staff member recommends disciplinary action. The Principal will interview the staff member, and student before making a final decision on disciplinary action. Factors such as the severity of the offense, school safety, or student disciplinary history & interventions may all factor into the decision, which may include one or some of the following interventions:

- Verbal warning
- Counseled by Principal
- School counseling referral
- After school detention, or detentions referral
- Saturday detention referral
- School suspension

- Expulsion referral

## **CO/EXTRACURRICULAR ACTIVITY PENALTIES FOR DISCIPLINE**

Students found in serious violation of school rules may be subject to suspension from co-extracurricular activities which include, but are not limited to: Athletics, Arts, club activities, dances at SV other school activities, Homecoming events, Prom, Baccalaureate and Graduation or Grad Night events. Seniors found in serious violation may risk the loss of all or some graduation privileges. Additional athletic team penalties may be administered by individual coaches.

## **ALTERNATIVE DISCIPLINE**

Restorative Discipline at SV is our approach to addressing student behavior that promotes belonging over exclusion (i.e. school suspension) and encourages meaningful personal student accountability. Its use will be determined on a case-by-case basis. Students determined to be eligible for restorative discipline will utilize Weekend Detention, online courses, and/or outside behavioral education. All decisions by the administration are final and parents are responsible for any additional costs associated with the discipline decision of the school. Restorative discipline utilizing Weekend Detention is not recorded on a student's high school/college transcript.

Conduct not eligible for restorative discipline includes but is not limited to:

- Hosting an event where any form of illegal substances or alcohol are present
- Purchasing or providing any form of alcohol or illegal substances
- Use or selling of alcohol, tobacco, vaping, and illegal substances on/off campus
- Use of AI to plagiarize any school-related assignments
- Extortion, coercion, injury or harm to persons or property or serious threat of same
- Assault/battery, or any threat of force or violence using social media, physical gesture, verbal, written or online with, or possession of any identified weapon capable of inflicting injury

Students may be assigned to Weekend detention by the Principal and/or The Student Relations Administrator. Students who have been suspended from school, or have been referred to Weekend detention are at risk of losing partial or full financial aid as provided by SV.

Assignment of Weekend detention may be initiated for the following:

- Weekend Detention may be referred to students if the Principal or Student Relations Administrator deems an offense is more serious than an after-school detention referral, and less severe than a school suspension.

- Weekend Detention referrals are at the discretion of the principal.
- The Principal or Student Relations Administrator may refer the student to Weekend Detention for excessive school rules infractions.(repeated dress code violations)
- The Principal or Student Relations Administrator may refer a student to Weekend Detention for excessive tardies (tardies continue after detention referral)

## WEEKEND DETENTION RESPONSIBILITIES

The program meets on selected Sundays from 1 - 4 pm starting at the Field House. Students who do not show up or follow Weekend detention policies may be suspended from school.

## AFTER SCHOOL DETENTION

Detention is an action taken for misconduct by a student. Detention is held after school on Mondays, Tuesdays, Thursdays, and Fridays from 3:15 - 3:45 pm. Students will be held accountable for arriving at detention on time on the assigned days. Students must serve all detentions after school. Excuses for missing detention **will not** be accepted after the assigned detention day. Students must contact the Principal or Student Relations Administrator if they have a personal hardship or family circumstance that will prevent them from showing. Sports practices or games are never an excuse to miss detention. Failure to attend detention will result in additional detentions or Weekend Detention referrals.

- **Other circumstances as determined by the administration**

Detentions may rise to the level of Weekend Detention or suspension, depending upon the severity of the violation.

## **SUSPENSION POLICY**

Suspension is a disciplinary action to be invoked at the discretion of the Principal. A student shall be suspended for no more than five consecutive school days. Upon returning to school, the student, parent, and principal will have a “re-entry meeting”. At the meeting, the student and parents will be allowed to talk and be heard. The principal will review the circumstances of the suspension, and warn the student and families that repeated behavior violations from this point may result in expulsion referral. Upon the student’s return, the student will also be placed on a behavioral contract. The student may be referred for counseling services.

Students who have been suspended are at risk of **losing partial or full financial aid as provided by SV**. During the suspension, the student may not come to St. Vincent de Paul College Prep campus, or any other school campus during the suspension, without the permission of the Principal. **The student loses the right to participate in any school activity during the suspension period.** It is the responsibility of the student to obtain any missing assignments and to have the assignments completed on the day of their return. The student is encouraged and allowed to follow classwork online through Canvas during the suspension period. At St. Vincent de Paul College Prep, our primary duty is to provide a safe environment for students to thrive and find success. Unfortunately, school staff will not observe or witness all acts of bullying or harassment, particularly when the bullying or harassment occurs off campus or outside school hours. It is important that students report the bullying or harassment to a “trusted adult” staff member, preferably in a timely manner. A “trusted adult” is any staff member at St. Vincent de Paul College Prep who a student feels most comfortable reporting bullying or harassment. The “trusted adult” will then report to the Principal what the student reported. If a student or parent is not sure who they report bullying or harassment, their primary contacts are the Principal Mr. Greco ([tgreco@svhs-pet.org](mailto:tgreco@svhs-pet.org)), Student Relations Administrator Mr. Herzog ([therzog@svhs-pet.org](mailto:therzog@svhs-pet.org)) or Dean of Academics Mrs. Dunne ([mdunne@svhs-pet.org](mailto:mdunne@svhs-pet.org)). The bullying and harassment report will be fully investigated with the primary goal of stopping the behavior and protecting the victim of the bullying or harassment.

## **SUBSTANCE ABUSE POLICY**

The philosophy of SV emphasizes a commitment to those values that honor the sanctity of life and the importance of each human being. The use of alcohol, vaping, and other drugs is in opposition to this belief and creates an obstacle to learning. Any student or parent who freely approaches a counselor, administrator, teacher, coach, or other staff member for help regarding a drug/vaping/alcohol problem will be assisted in the spirit of counseling, (unless the student is found to be using the counseling mechanism to avoid disciplinary action). The same will be true for students referred to any staff member for intervention.

Any violation of the spirit or specifics of this policy can result in actions as deemed necessary by the administration. The Administration and Faculty of SV expect parents and students to support all policies on substance use.

- Parents and older siblings are both legally and morally responsible anytime they knowingly or unknowingly allow alcohol and/or drug use by minors. Parents are asked to closely monitor the activities of their students and other students, especially at times when the parents cannot be present in the home
- Any adult who trades, sells, gives away, or allows (tacitly or failure to secure) offers to trade, sell or give away alcohol, controlled substances, drugs, or other hazardous substances may result in notification of the proper authorities and will compromise the partnership between the family and the school
- Students found dealing in or selling any controlled substance on campus or at school-related activities will be referred for expulsion and law enforcement will be notified
- Students under the influence of drugs, alcohol, or any other controlled substance on school grounds, or while involved in any school-related activity or in any situation which could reflect adversely on SV may be referred for expulsion.
- Students found possessing a legally controlled substance during the school day for use, sale, or distribution will be referred for expulsion and law enforcement will be contacted

- Any activities involving paraphernalia, or look-alikes associated with controlled substances may result in suspension or expulsion
- Smoking (including smokeless tobacco, electronic, juuls, or vapor-type pens, or other illegal substances) will result in suspension
- The trade, sale, or ingestion of medication prescribed to someone else is illegal and dangerous and will result in suspension or expulsion
- Being present when such substances are being used presumes some level of participation and may result in suspension or expulsion

**Any violation of these policies may result in the following actions:**

- Parent(s) will be notified by the school within 24 hours. This affords a student the right to discuss the pending issue with parents.
- The student may be suspended from school pending the investigation
- The student and parent(s) will conference with the Principal. This may be done via phone or in person.
- The Principal may issue a Letter to Expel.
- If the student is not expelled, they will be placed on a Behavior Contract. Provisions of the contract may include but are not limited to: professional evaluation, counseling, involvement with a support group, rehabilitation if recommended by the evaluation, random drug testing and any other provision deemed necessary by the Administration and/or their counselor
- Instant drug tests will be administered by the Student Relations Administrator in the case a student has been identified as potentially being under the influence of an illegal substance.
- Any student found to be under the influence will be required to submit to an independent drug test from ADTS in Rohnert Park within 24 hours. The student and his/her parents/guardians at a cost to the family must submit to a drug test and provide the results to the Student Relations Administrator at the conclusion of the suspension. If it is determined that the student can return to school, the student will enter into a one year to the day of the suspension disciplinary contract. A second offense of a similar nature may result in an immediate expulsion without an opportunity for appeal. <https://www.adts.com/>

## **BREATHALYZERS USED AT SCHOOL EVENTS**

The Student Relations Administrator or their designee(s) may use designated breathalyzers for the evaluation process as a systematic method of examining a student to determine whether he or they are under the influence of drugs or alcohol. Students found to be under the influence are in violation of school policy and immediate disciplinary action will be taken.

- A student found under the influence will be immediately removed from the school-sponsored activity. Depending upon the severity of the violation, the student's parents and or guardians will be called and will be required to pick the student up. If it is deemed necessary by the administration, local law enforcement will be called

## **SEARCHES - DRUG DOGS**

St. Vincent de Paul College Prep reserves the right to conduct random and specific drug and alcohol testing on campus or at all school events. In our continuing effort to maintain a safe and healthy learning environment for all students, SV has adopted a program to detect the presence of illicit drugs, alcohol, gunpowder-based items, abused medications, and other contraband normally

prohibited from campus. Facilitated using non-aggressive detecting dogs, the contractor or a canine unit from the Sonoma County Sheriff's Office or Petaluma Police Department will make periodic unannounced visits to our campus throughout the school year. They will normally check lockers, classrooms, common areas, gym areas, vehicles, parking lots, and other areas identified by school administration. The dogs will also be present during the morning assembly of the junior and senior overnight retreats. If required, the dogs will also be provided for graduation and grad night events. Failure to follow the requests of the law enforcement personnel or school administrator will result in the automatic notification of law enforcement. These areas may also be checked by school administrators or law enforcement as predicted by the situation.

## **DRUG TESTING**

With reasonable suspicion, students may be drug tested while enrolled at SV. These tests will be required by the Student Relations Administrator or Principal at their discretion. Parents will be notified after the test has been administered.

A second test will be required by the parents and or guardians. All testing must take place at the SV-designated site (<https://www.adts.com/>). No other site may be used. Any tampering with the collection sample will be considered a positive test. Students with a positive test result will be subject to the school's disciplinary policies. All fees associated with the drug test will be the responsibility of the parent(s).

If there is reason to believe a student may be under the influence of a controlled substance, the Principal may conduct a sobriety test of the student and find that the student may be under the influence (odor of alcohol, slurred speech, dilated pupils, etc

## **RECOMMENDED WITHDRAWAL**

In certain cases, the Principal or designee may recommend that a student voluntarily withdraw.

## **STUDENT HEARING PANEL**

The purpose of the Student Hearing Panel (SHP) is to review and recommend to the Principal whether a student continues enrollment at SV and under what circumstances. Students may be sent before a review board for: multi-day suspensions, recommendation for withdrawal, intention to expel, or at the discretion of the Principal. The SHP is composed of faculty members representing a tribunal to review the discipline violation. The SHP is only used at the discretion of the Principal.

## **EXPULSION POLICY**

It is the policy of St. Vincent de Paul College Prep that the decision to expel a student from the school is taken in accordance with the policies and procedures of the school. The expulsion policy does not limit the discretion or authority of the Dean of Academics or the Principal to impose discipline upon any student for any violation of any of the rules or policies of SV. The decision to expel a student, performed in accordance with this Policy, shall be final and binding upon the student and their parent(s) or legal guardian(s).

## **NOTICE TO EXPEL**

When grounds to expel exist, the student who is subject to expulsion and their parent(s) shall be provided with a written Notice to Expel. Expulsion notice shall state clearly the reasons and grounds for such intended expulsion.

## **FORMAL HEARING PROCESS**

- Student and parent(s) and or guardian(s) will receive a phone call from the Principal which will be followed by formal email communication of the decision to expel
- A student with their parent(s) shall have the right to a formal Hearing before the Student Hearing Panel.
- The student and family have two business days to submit an appeal to be reviewed by the SHP. The SHP is a recommending body only and does not possess the authority to overturn the decision to expel a student. The SHP is an advisory committee that can recommend rescinding the expulsion, changing the expulsion to a suspension (unless it is a second suspension), or upholding the decision to expel.
- The Dean of Academics and Chair of the Student Hearing Panel must schedule the hearing within 24 hours of receipt of the appeal.
- Upon conclusion of the expulsion hearing, the SHP has 24 hours to present their recommendation to the Principal. The Principal will make a final decision whether to expel or not, and inform the student and family by formal email communication. The clock now begins for the student and his or her family to begin the final appeal. The SHP may recommend to the Principal the following:
  - 1.) The student is expelled from school and may reapply to St. Vincent de Paul College Prep no earlier than one calendar year to the date of expulsion.
  - 2.) The student's expulsion is "suspended" and may return to St. Vincent de Paul College Prep on a behavior contract. The Principal drafts the contract based on the infraction, student discipline history, and SHP recommendation. If the student violates the contract upon their return, the expulsion is immediately implemented, and the student withdraws. The expulsion and withdrawal are immediate and there is no more formal due process.
  - 3.) The hearing panel recommends no expulsion and the student may immediately return to school at St. Vincent de Paul College Prep.
- The student and family have two business days to write an appeal and request a meeting with the Governing Board President.
- The Governing Board President's decision is final and binding.
- Students who are expelled from SV will not have their transcripts or cumulative files released until after the completion of all hearing processes or legal procedures
- A student may reapply to St. Vincent College Prep within one year and one day of expulsion. The school maintains the authority to deny the application

## RIGHTS OF STUDENTS AT FORMAL HEARING

The Formal Hearing is designed to provide the student with an opportunity to be heard on the question of their pending expulsion and is not designed to be a legal hearing. As such, the student is not entitled to be represented by legal counsel at the Formal Hearing, nor shall legal rules of evidence apply. However, the student shall be entitled to the following rights in the Formal Hearing:

- Right of Parent(s) to Attend a student shall be entitled to have their parent(s) or legal guardian(s) attend.
- Right of Student to Attend and Right to Speak on Their Own Behalf A student shall be entitled to speak on their own behalf during the formal Hearing, subject to the rules established by the Chair of the proceedings.

If unforeseen circumstances or hardships affect the timely payment of tuition and fees, the family is requested to contact the finance office. The school may, at its sole option and discretion, enforce any or all of the following actions:

- Student accounts that are delinquent more than 60 days will require payment via a cashier's check to school on or before the first of every month for the remainder of the school year to ensure there is no interruption to the student's education.

Families with children in both Saint Vincent de Paul Elementary and High Schools are required to complete one set of Parent Service Hours.

*\*Fundraising hours include special events such as the Auction, Fashion Show, and President's Dinner.*

## **DAMAGED EQUIPMENT**

Parents must pay the replacement or repair cost of any school owned materials, equipment, or facilities damaged or defaced by their student.

## **ATTENDANCE POLICIES**

### **ABSENCES**

The attendance policies presented below highlight the significance of the educational process and the importance of being punctual, while also acknowledging legal obligations and the partnership between St. Vincent and parents/guardians.

### **REPORTING AN ABSENCE**

Parents/guardians are required to report an absence **before 8:30 a.m.** by using one of the methods below:

1. Phone in an absence to the Front Office Administrator.
2. Send an email with the below information to [attendance@svhs-pet.org](mailto:attendance@svhs-pet.org)
  - Student's first and last name
  - Date of absence(s)
  - Reason for the absence (sickness, doctor's appointment, etc.)

### **REASONS FOR AN ABSENCE**

Legitimate reasons for an absence include:

- Illness
- Doctor appointments
- Attendance at funeral services
- Accidents

Absences for reasons not listed above are discouraged. If parents/guardians need to take their student out of school for several days due to personal reasons, the student should obtain a Planned Absence Request form from the Dean of Academics at least two weeks prior to their departure. While the final decision to take an absence rests with the parents/guardians, the Dean of Academics and the Principal have the authority to determine the conditions for the absence. It is the student's responsibility to follow up on any assignment or test missed.

## TRUANT ABSENCE

Absences not reported by parents/guardians, will be considered truanies. Students will receive notification of any truant absence recorded for a specific period or partial period. Failure to rectify the absence will result in the issuance of a "Truancy Notification," as well as a period of Disciplinary Disqualification and a Saturday detention. Cutting any part of the school day or being out of class without permission will be considered a serious offense and will result in a period of Disciplinary Disqualification and a Saturday detention.

The following situations will be recorded as a truant absence:

- If a student is absent for 15 minutes or more in any class.
- If a student leaves the school premises without informing the Front Office. Students are required to sign out at the Front Office before departing the campus.

## EARLY DISMISSAL

Parents/Guardians are required to report an early dismissal **before 8:30 a.m.** by using one of the below methods.

1. Phone in the Early Dismissal to the Front Office Administrator.
2. Send an email with the below information to [attendance@svhs-pet.org](mailto:attendance@svhs-pet.org)
  - Student's first and last name
  - Date of early dismissal and time the student will be leaving campus and time they will be returning if applicable.

Students must obtain an Early Dismissal slip from the Front Office and present the slip to their classroom teacher. Students are required to sign out at the Front Office before leaving. Failure to do so will result in a detention.

## EXTRACURRICULAR ACTIVITIES

To engage in extracurricular activities after school, such as practices, games, dances, rehearsals/performances, etc., a student must attend at least 50% of their classes or school day schedule that day.

There are instances when students need to be excused from class for participation in extracurricular activities. In such cases, the following procedures must be followed:

1. The student must have permission for an athletic early dismissal from the Director of Athletics and the Front Office will inform the classroom teachers accordingly.
2. Prior to being dismissed for the extracurricular event, the student must sign out at the front office.

## TARDIES

**Tardies cannot be excused by a parent or guardian.**

1. If students arrive after the class bell rings, they are considered tardy and must check in at the Front Office before proceeding to class.
2. If students are tardy by more than 15 minutes, it will be recorded as a truant absence. To rectify the truancy, a parent/guardian will need to report the absence to the Front Office using one of the methods under *Reporting an Absence*.

Consequences for Tardies:

- Accumulating 3 tardies in a quarter will lead to a detention.
- Accumulating 6 tardies in a quarter will result in an additional detention and a call home to address concerns regarding excessive tardies, along with an alert regarding consequences of reaching 9 tardies.
- Accumulating 9 tardies in a quarter will result in a period of Disciplinary Disqualification and a Weekend detention. The student will be placed on a probationary behavior contract.

## COLLEGE VISITS

Juniors are allowed two, one-day college absences during their junior year (one day total in each semester).

Seniors are allowed two, one- or two-day college absences (up to two days total in each semester). Days cannot be combined into one semester or saved for future use. Parents must notify attendance when students are on a college visit.

Recruited students: Students who are formally recruited under NCAA rules or within specified programs (Arts, Academics etc.) shall meet with the Dean of Academics to create an attendance plan for their absences. Informal recruitment visits must be done on the student's personal time off.

Formal letters for recruitment will be required, and the Dean of Academics will be responsible for determining if the student meets the criteria of formal recruitment.

Auditions for University Arts Programs: Students who are auditioning for highly selective university Arts programs shall meet with the Dean of Academics to determine an attendance plan for their absences.

## ATTENDANCE CONSEQUENCES AND LOSS OF CREDIT

Any type of absence, regardless of the reason, can adversely affect a student's academic performance. While certain absences are unavoidable, such as those resulting from illness or school-related activities, others are within the realm of choice. **The Administration strongly urges parents and students to refrain from planning vacations, college visits, and similar engagements while school is in session.** Multiple-day absences, in particular, have a notable detrimental impact on academic learning, assessments and student progress.

If a student is absent for all or a portion of a block period class more than 7 times within a semester or more than 12 times for a 1st or 2nd period class, whether continuously or periodically, they will automatically forfeit one letter grade drop for that particular class. The following instances will contribute towards the cumulative count of 7 or 12 days:

1. All absences except those from school field trips and school related activities and appointments. All other absences, whether excused with parent permission or suspensions count toward the 7 and 12 day total.
2. All tardies of more than 15 minutes except those due to school appointments or school-related activities.

If a student is absent due to having a test then if the student reaches 3 test absences in a semester in any class, the student will be required to take their test immediately upon return from their absence.

Whenever a student accumulates 5 or more days of absence in a specific class, the administration will promptly notify the parents. If a student surpasses the limit of 7 days and believes that the absences or tardies were due to exceptional circumstances (such as chronic or acute medical conditions), they have the option to appeal for credit restoration in the affected class or classes. Appeals based on medical grounds must be substantiated by supporting documentation or a note from a physician. These appeals are to be submitted to the Dean of Academics and will be reviewed at the end of each semester.

## CAMPUS MINISTRY

As a Catholic School, SV embraces the teachings and traditions of the Roman Catholic Church. At the same time, St. Vincent is a community of many faiths; each bringing its unique gifts to the greater community. ***“Enter to Learn, Leave to Serve”*** is the motto of our school as manifested through the life of its patron, St. Vincent de Paul. All members of the community--students, teachers, staff, and parents--are to respect one another's beliefs, develop their spiritual life, and work together as a community of faith. In all we do, SV is inspired by our Vincentian themes:

- Serve with humility

- *Imago dei*
- Charity binds us together
- Realize and nurture your talents

The Campus Ministry Program serves to challenge and embolden the faith life of students and encourage them to move their faith into practice. This is accomplished through prayer, retreats, service, and building community.

## **PRAYER, LITURGY, AND FAMILY FORMATION**

Morning prayer begins each school day assembly, and major school event. A team of students will be trained and assigned prayer leader responsibilities.

School-wide Masses, prayer services, and special memorials mark key moments in the liturgical and school year. School liturgies are mandatory, and students are required to wear formal “liturgy attire” on liturgy days. In lieu of the Eucharist at Mass, non-Catholic students are encouraged to receive a blessing. Parents and grandparents are welcome to attend school liturgies and should receive visitor badges at the front office upon arrival at the school campus. Students who wish to serve, read, or sing at liturgies should contact the Campus Minister for training opportunities.

Co-curricular formation activities, such as Reconciliation services, Junior service days, and the school-wide Day of Service are built into theology classes and the school academic calendar.

Students and their family members are invited to grade-specific family formation activities, which also serve to build up friendships among the SV community.

- Freshman Family Dessert (for parents and their freshmen students)
- Sophomore & Women’s Brunch (for significant adult women in the life of the sophomore students)
- Junior & Men’s Lunch (for significant adult men in the life of the junior students)

Students and families who seek additional spiritual guidance, faith formation, or sacramental preparation should contact the Campus Ministry Office. We are willing to provide formation in coordination with a small group of students. Sacramental preparation will be coordinated with a Catholic parish where the student will attend on weekends.

## **RETREATS**

The retreat program immerses our students into a deeper understanding and appreciation of the Vincentian charisms and SV traditions, including the value of service and one’s spiritual life. Each class retreat forges a stronger bond of peer relationships and shared memories. Retreats incorporate talks, reflections, and activities that relate to that class-year’s particular challenges and level of development. Students of all faith backgrounds are required to attend a day retreat each year while at St. Vincent. The junior and senior retreats go into the late evening. Retreat attendance is required

for all students as it is an integral part of each student's faith formation, as well as an objective of the mission and philosophy of SV. Teachers and staff support retreat attendance by relieving the pressures of their absence from class, sport, or other school responsibilities. **Students who miss work, tests, or quizzes while on an SV retreat will be provided an equal number of block meetings/days after they return to make up what was missed.** While participating in retreats, students are to abide by all SV handbook policies. School rules regarding behavior and free dress are enforced.

In addition to the class mandatory retreats, upperclassmen are invited to attend the annual 3-night Kairos retreat, which focuses on friendship with God, prayer, and deepening trust in one's core relationships.

Parents will be required to fill out a permission form for each retreat.

## **STUDENT SERVICE PROGRAM**

The Student Service program creates opportunities for students to respond to the Gospel's call through works of charity, service, and justice. Rooted in reflection on the life and teachings of Jesus Christ, and on the works of mercy and the virtues, students serve through relationships with our world and God's people. Young adults graduating from SV leave with a sense of justice and experience serving those in need, especially the marginalized. Our service program serves the mission of the global Catholic Church, including sharing its values of Catholic Social Teaching (CST) as taught by the Magisterium of the Church. When they serve, students are given the opportunity to think, analyze and reflect upon key (CST) principles:

- Life and Dignity of the Human Person
- Rights and Responsibilities
- Call to Family, Community and Participation
- Preferential Option for the Poor and Vulnerable
- Solidarity and Subsidiarity
- Dignity of Work and the Rights of Workers
- Care for God's Creation

The Campus Ministry Department communicates regularly with local non-profit organizations to provide service opportunities to students which allow them to respond in faith to those in need. All service opportunities presented to the school are posted for students in our online service portal, MobileServe. Students use this portal to log their hours served as they work toward their annual service requirement of 25 hours each year that they are enrolled at SV. All students will have an account with MobileServe, which can be accessed via the internet or an app that students can download. Students will use one of several different means available through MobileServe to have their service hours verified prior to their being accepted toward their annual service goal.

Service projects are broken into two categories: service to SV and service to the local community. Of their 25 yearly hours, at least 10 hours each year must fit the category of "service to the local

community,” which requires a student to actively engage directly with people in need, providing hands-on service. Only the hours of non-compensated, direct service in non-profit agencies completed outside of school class time are logged into MobileServe. Students who do not complete their hours on time are placed on an Academic Contract preventing them from participating in athletics, arts, and academic teams.

## **STUDENT SERVICE GRADUATION REQUIREMENT**

Service is a necessary component of faith development. A minimum of 100 hours (for 4-year students) of direct service working in non-profit agencies is logged on MobileServe by May 1st of senior year as a graduation requirement noted on a student’s transcript. Seniors who fail to complete their service requirement by that deadline may be prevented from participating in senior class and graduation activities. They will receive an Incomplete on their transcript and will not receive their diploma. The student’s final transcript (which is mailed to their college/university in June) will show that the student has not graduated from SV.

St. Vincent de Paul College Prep (SV) awards credit for course grades of D- or better.

At the end of Semester 1, seniors with an “F” in a class required for graduation will receive communication informing them that they may not graduate or participate in graduation activities, unless the failed class is made-up prior to graduation.

All SV students are awarded diplomas upon completion of their graduation requirements. In addition, the Diplomas with Honors and Diploma with Highest Honors recognizes those students who further pursue academic achievement by excelling in elected courses beyond those required for graduation and college entrance. To receive the Diploma with Honors, the student must have a minimum GPA of

3.8. Diploma with Highest Honors will be awarded to those students who have a GPA of 4.0 and above. GPA's are calculated after Semester 1 of senior year.

Christian Community Service Hours Awards are granted to graduating seniors who have completed 200+, 350+ or 500+ hours over the course of their high school career.

## SCHOOL GRADING SCALE AND POLICIES

A 100% - 93%	C+ 79% - 77%	F 59% - Below
A- 92% - 90%	C 76% - 73%	
B+ 89% - 87%	C- 72% - 70%	
B 86% - 83%	D+ 69% - 67%	
B- 82% - 80%	D 66% - 63%	
	D- 62% - 60%	

SV uses the following scale for all standard level courses. Honors and Advanced Placement (AP) courses may use a different scale, based on specific department policies. Students in Honors and AP courses should consult their teacher's syllabi.

## GRADE POINT AVERAGE (GPA) EQUIVALENTS

Course Grade 4.0 System:	Honors/AP Course Grade System:
A - 4.00	A - 5.00
B - 3.00	B - 4.00
C - 2.00	C - 3.00
D - 1.00	D - 2.00
F - No Credit	F - No Credit

Incomplete grades (I) are given when a student has not completed the work for a legitimate reason. An incomplete grade must be made up within ten school days of the due date for grades, as indicated on the school calendar. If work is not made up within the above specified time or the time agreed upon by a student, administration, and teacher, the Incomplete automatically becomes an F.

Each student's GPA is computed two ways each semester: Unweighted and Weighted. An Unweighted GPA includes all grades and is calculated on a 4.0 system. A Weighted GPA includes all grades and adds an additional point for each Honors/AP course grade when applicable.

Freshman honors courses will receive an additional grade point in the calculation of the SV GPA but will not be recognized for honors status by the UC/CSU systems.

We do not rank our students. Instead, academic achievement is reflected by way of a quartile formula, where students are placed into one of four quartiles, based on their academic performance.

The Dean's List is published each semester for students who maintain at least a 3.5 unweighted GPA.

## **REPORT CARDS**

### **Development Reports**

Development Reports are emailed to parents/guardians when a student is receiving a C- or below in a class. Although Development Reports may be sent at any time during the academic year, typically Development Reports are emailed in mid/late September, mid-November, early-February, and late-April. Students with a C- or below in any course will be enrolled in Mandatory Office Hours which meets on Mondays and Fridays. An academic plan will be communicated and the Mandatory Office Hours faculty member will ensure that students are communicating with teachers about how to return to good academic standing.

### **Progress Reports**

Progress Reports are emailed to parents/guardians twice (midpoint through Semesters 1 and 2) during the academic year. Progress Report grades reflect progress through the midpoint of the Semester and do not necessarily correlate to half of a student's semester grades.

### **Semester Report Cards**

Semester Report Cards are emailed to parents/guardians at the completion of Semester 1 in January and Semester 2 in June. These grades are cumulative and reflect work completed by the student during the entire semester.

For more precise dates, please refer to the SV School Calendar.

## **COURSE SCHEDULING**

In conjunction with the academic advisor's advice, students and parents/guardians should be careful in the selection of academic courses by observing the course prerequisites, while keeping in mind student abilities, past academic performance, and academic goals. Every effort is made to accommodate legitimate course requests. However, course availability, prerequisites and departmental guidelines may result in some requests not being fulfilled. Students may not request courses based upon teacher preference.

Current Freshmen, Sophomores and Juniors and their parents/guardians will meet with an academic advisor in the spring and choose their classes. A copy of the course selection sheet will be provided at the meeting. Students and their parents/guardians may request a meeting with their academic advisor

to create a course schedule for the following year based upon their academic advisor's recommendations.

Incoming Freshmen and their parents/guardians attend a Registration/Scheduling Event in the spring. Students and their parents/guardians meet with their academic advisor to create a freshmen class schedule based upon placement test results and academic advisor recommendations.

## **DROPPING/ADDING CLASSES**

Each student's schedule reflects a collaboration of teachers, students and parents and is designed for both a challenging and enriching curricular experience. At the time of scheduling, advisors, parents, previous teachers, and students ideally devise a schedule that will allow the student to be both challenged and successful. Every effort should be made to schedule realistically and not change courses.

- The time to initiate any change after that process has occurred will be dedicated to the week before the school year starts. A [Request for Change of Schedule](#) form must be completed and signed by parents to initiate the process. Emails requesting course changes will not be honored.
- Beyond that, during the first two full weeks of the semester a student may initiate a course change. The change process during the two week window at the beginning of the semester must include conversations and signatures of the student's respective academic advisor, the teachers of both the class to be added and the class to be dropped, and the parents. The student then must bring the signed and completed [Request for Change of Schedule](#) to the Dean of Academics who will process the class change and print a new schedule for the student. Until the process is finished, the student must attend the course for which they were originally scheduled. Courses dropped from a student's schedule prior to these deadlines will not be reflected on a student's transcript.
- Student/family-initiated class schedule changes resulting in a dropped class between the second and fourth week of each semester will be noted on transcripts as a Withdrawal (indicated by a W).
- Student/family-initiated class schedule changes resulting in a dropped class after the fourth week of each semester will be noted on transcripts as an F.
- After the third week of each semester, class schedule changes may be initiated by a student's teacher or academic advisor on his/her behalf. A Withdrawal (indicated by a W) will be noted on transcripts.
- Students who enter a new course after the fourth week are only eligible for half-credit for the semester. Schedule changes made after the fourth week of each semester are strongly discouraged and will only be approved by the Dean of Academics.
- Students in AP and honors level classes can drop into the college prep level course throughout the semester. The unweighted grade in the higher-level course will be brought

with them into their new course assignment and will count proportionately for their semester grade.

To further encourage careful consideration when scheduling and to defray administrative expenses, a \$25.00 fee will be charged for schedule changes taking place after the 2nd full week of each semester.

At the end of the first semester a student can change courses for the spring semester by following the procedure outlined above.

## **RETAKEING A COURSE POLICY**

Grades of F in a required subject must be made up to meet graduation requirements. In certain circumstances, a grade of D may need to be made up to meet future prerequisites. Repeating a class for credit recovery at SV will be allowed on a case by case basis.

How the course is calculated into GPA and appearing on transcripts depends on the nature of the remediation course:

Courses taken at SV during the school year: Students re-enrolling in an SV course during the school year for remediation will have the new grade replace the failing grade on the transcript. The new grade will be calculated into the student's GPA.

Courses taken at SV during the summer: Students taking summer remediation courses at SV will be able to earn a maximum grade of 75% C. This grade will replace the failing grade and be included as part of their GPA calculation.

Courses taken through a non-SV online program: A concurrent enrollment form must be completed and approved to take a non-SV course for remediation. The grade from the online course will be an additional line item on the transcript. It will not replace the original failed grade. The remediated grade will not be calculated into the student's GPA.

## **TRANSFERABLE CREDIT**

A student wishing to take a class at another school or program that is already offered as part of the SV curriculum must have the prior approval by the Dean of Academics. If the course is being used to fulfill a graduation requirement, the course (without the grade) will be listed in the notes section of the transcript.

## **CONCURRENT ENROLLMENT POLICY**

Concurrent enrollment is designed to provide educational opportunities at the community college, private and state university levels, for students who can benefit from the experience.

To participate, a student must:

- Have parental and administrative approval via the Concurrent Enrollment Form
- Request courses which constitute an expansion of their high school courses, or courses not available at the high school
- Have a grade point average of 3.0 or better
- The offering of the course may not conflict with SV hours, 8:00am-3:00pm, M-F
- Courses taken for non-remedial reasons will NOT appear on your high school transcript GPA

## **ADVANCED PLACEMENT EXAMS**

SV offers academic courses designated as Honors or Advanced Placement. Many colleges, including the University of California system and the Cal State Universities, will give an extra numerical grade point in determining G.P.A. for admissions.

All students enrolled in AP classes with an equal college prep option are required to take the AP exams. All students enrolled in AP classes without an equal college prep version available are strongly encouraged to take the AP exam. Parents will be charged \$94 per test on November 1st.

Students who wish to take an AP exam in a course not offered at SV must submit an application to the Dean of Academics by November 1st. Due to demand and proctor availability, the school cannot guarantee that the request for non-SV AP tests will be granted.

## **MAKE-UP WORK/TEST POLICY**

It is the student's responsibility to check Canvas for missed assignments during their absence when possible, or within 24 hours of return to campus. Students have 48 hours to contact teachers for makeup work. Students who are absent are required to make up any assignments/tests which have been given during their absences on a date/time agreed to by their teacher. Students who fail to make-up assignments or do not report for make-up tests will receive a zero for that assignment/quiz/test.

Students who miss work, tests or quizzes will be provided an equal number of block meetings/days after they return to make up what was missed, for a maximum of 8 school days.

Teachers are not obliged to administer make-up tests during the scheduled class time. When there are repeated absences on days set aside for tests/projects/presentations, teachers will exercise their judgment regarding the feasibility of make-up work/tests/projects/presentations.

In the case of prolonged absence due to medically diagnosed illness, the teacher and administration will decide on an appropriate course of action regarding missing work. It is recommended that parents do not schedule family vacations during school time.

## **FINAL EXAMS**

SV requires that no Final Exam account for more than 20% of the semester grade. It is expected that all classes give a final or culminating assignment which serves to test the gained knowledge and

skills from the past year, semester, or unit. Make-up finals are given after the last day of scheduled finals. For more information regarding final exam policies, please review each of your course syllabi.

## **TRANSFERS PRIOR TO FINAL EXAMS**

A student who transfers out of SV prior to the end of the first semester, and is officially enrolled in another school, may be excused from taking final exams for the first semester. The student's grade will be calculated and submitted at the point of transfer.

Note: A student who has transferred out of St. Vincent de Paul at the end of the first semester and transfers back to SV within two weeks of the second semester is required to take the final exam upon their return. The student's final grade and credits for the course will be adjusted accordingly.

## **ACCOMMODATIONS FOR STUDENTS IN CRISIS**

SV makes accommodations (which may include but will not be limited to *extended time on assignments, reduction in expectation of assignment completion, additional breaks, etc.*) for students under extraordinary circumstances or in crisis. SV will make a reasonable effort to offer special accommodations to students who have short or long-term issues that affect their attendance and academic performance.

## **GRADUATION/DIPLOMAS**

Certain conditions may restrict a student from attending the graduation ceremony:

- Failure to meet academic or Student Service requirements for graduation
- Serious behavioral issues which merit administrative decision and action
- Personal choice of a student
- Failure to attend mandatory practices

Diplomas may be withheld, and a graduation date will not be posted on the transcript if:

- Credits are not sufficient or are incomplete
- Academic requirements for graduation are not met
- Financial obligations are not met
- Student Service requirement is not fulfilled

A student may become eligible if the above standards are met on the date of the next quarterly progress report or report card. In addition, a student is not eligible if they have an "Incomplete" on their most recent report card. Once the "Incomplete" is changed to a grade, the report card will be reviewed again by the specific administrator to determine if the student is eligible. Seniors who have not completed their academic requirements within one calendar year of their anticipated graduation date, will not be eligible to receive a SV diploma.

## **ACADEMIC COMMUNICATION**

SV uses the following web-based programs. Portals are located on the St. Vincent de Paul College Prep website (<https://www.svhs-pet.org/>) and the SV app:

- **FACTS** is used to view report cards/progress reports, attendance, and grades. Parents are expected to regularly check FACTS to view their student's academic progress.
- **Canvas By Instructure** is used by teachers to post class curriculum, resources, and assignments. Canvas provides document sharing, homework calendar, testing and electronic assignment feedback.
- **MobileServe** is used by students to log their Student Service Hours. All hours must be logged within 60 days of actual service.

## ACADEMIC PROBATION

A student will be placed on Academic Probation if the following occurs at the quarter grading deadline:

- A cumulative grade point average lower than a 2.0.
- Three or more Ds
- One or more Fs.
- Failure to fulfill Student Service hour requirements.

Students who are not in good academic standing may not participate in co-curricular activities (*this includes plays, dances, attending or participating in athletic events*). Students who are on academic probation for two consecutive semesters may lose their financial aid. Students who continue to fall below a 2.0 in core courses for two grading periods will be placed on an academic contract. This contract, shared with teachers, counselors, parents, and the student, will outline the steps needed to get the student back to good standing. The final decision as to whether a student will be allowed to continue at SV will be made on a case-by-case basis by an Academic Review Board.

Parents are notified of Academic Probation or Academic Contract by a letter from their academic advisor. The advisor will meet with students on academic probation to devise a plan for making up the course that needs to be repeated.

## ACADEMIC GRIEVANCE

If a student or family believes they have an academic grievance, they should observe the following procedure, in the order given:

- **Meet with the teacher** and attempt to reconcile the issue. If the issue pertains to a grade, the meeting should be called within ten (10) school days of the grade posting.
- **Consult with their academic advisor and the Department Chair** of that academic area.
- **Request a conference with the Dean of Academics** if previous steps prove unsatisfactory. This conference may include the teacher, parent, student, and academic advisor.

## TRANSCRIPTS

### **Official**

Students may request official transcripts directly from the Registrar or the SV website. Requests will be processed within two school days. Official transcripts are sealed by the school and should not be opened. Once opened they become unofficial.

### **Unofficial**

Students may access unofficial transcripts through FACTS and Maia Learning.

## **ACCESS TO STUDENT FILES**

Parents shall have access to their student's permanent records maintained by the school. Students 18 years of age or older have the same right of access. Anecdotal notes are not part of the permanent record, to which parents do not have a right of access. Parents wishing to review records will make an appointment with the Dean of Academics. The appropriate grade level academic advisor or the Registrar will be present to interpret records if necessary. Parents may request and receive a copy of their student's records. The copy will be clearly marked as a copy; originals will never be released to parents until the student has withdrawn or graduated.

## **WITHDRAWAL FROM SCHOOL**

When a student plans to withdraw or is not returning to SV, a parent is to notify school administration and will be provided an Exit Survey to better inform SV for growth and improvement. If a student withdraws during the school year, they must obtain a Student Withdrawal Form from the Registrar's office. The student will need appropriate signatures of clearance before officially withdrawing. Incompletes may appear on transcripts until all paperwork and accounts are cleared.

## **ACADEMIC ADVISEMENT & COUNSEL**

Academic Advisement at SV shares in the general philosophy of the school in its respect for the uniqueness of each student and their right and responsibility to achieve their potential. Our commitment is to educate the whole student by providing an environment where students achieve their highest potential through intellectual, social, and spiritual development.

## **ACADEMIC GUIDANCE**

Academic advisors provide academic support, resources, and guidance necessary to graduate. They inform, advise, support, and monitor each student's academic progress through the following activities and services:

- Orientation to SV course offerings and graduation requirements
- Individual appointments with each student
- Ongoing monitoring of student's fulfillment of graduation and college entrance requirements
- Facilitation of parent/teacher/student conferences as necessary
- Referral to tutoring
- Referral to outside therapeutic services
- Administration of national tests (PSAT and AP) and interpretation of results

## **LEARNING RESOURCES**

For students with diagnosed learning differences, advisors and support professionals will work with your student/family to provide the following services:

- Coordination of student study teams
- Assisting parents with referrals for psychological and/or cognitive testing for IEP services with public school districts
- Assisting communication with teachers as necessary
- Assist in applying for accommodations through the College Board

## **HOMEWORK**

Homework is an integral part of the educational process to assist students in getting the most out of their high school experience. Homework is considered an individual activity to be completed outside the general school day. All homework is to be completed according to the specifications of the instructor.

## **COLLEGE COUNSELING PROGRAM**

The college guidance program begins with an introduction at the ninth-grade level and increases in scope each year to culminate in extensive and individualized counseling in the eleventh and twelfth grade. However, while maintaining the anonymity of the student, matters of health, life and safety may be discussed with the Principal, and/or appropriate member(s) of the Administration. In addition, California State Law specifies the following exceptions to this understanding of confidentiality: when the student has revealed information that the counselors and/or staff determine that they are in danger, are a danger to themselves or a danger to others; if they are being harmed in some way that would determine intervention from Child Protective Services and/or the Police Department.

We may also ask for a Release of Information so that we can discuss issues with licensed physicians, psychiatrists, psychologists or other health care providers for the sole purpose of referring the student for treatment or gathering information that determines how we support the student while they are in our care during the school day.

# TECHNOLOGY

## ACCEPTABLE USE POLICY

When a student is using technology (of any variety), they must always bear that their actions reflect upon the school, our Diocese, and the Roman Catholic Church as a whole. It is imperative that all students conduct themselves in an ethical and responsible manner when using technology. The policies stated herein are designed to express a framework and to form general principles for use of technology at SV. Any use of technology that is contrary to the Mission of the school will be considered a punishable offense including but not limited to, those directly addressed in the policy. The policies, procedures and information in this document are schoolwide. Teachers/Staff may establish additional policies and requirements for use in their classrooms or situation. Electronic information resources, including access to the Internet, computers, network files (The use of SV network services is a privilege, not a right), and user accounts, are available to all staff and students at SV. Our goal in providing electronic resources is to promote educational excellence.

Students should use the technology (both personally and school owned devices) for:

- Access to the SV provided apps and FACTS for communication with faculty and staff, to track assignments, grades, conduct, attendance, and course communications
- Managing information including course notes, assignments, and high school email accounts, checking at least daily and emptying the inbox and deleted folders frequently
- Communication with classmates, faculty, and staff in an appropriate manner. Students must be responsible for what information they share about others and need to request permission before posting any information or pictures about someone else without their permission. Students will not forward a message that was sent to them privately without permission of the person who sent them the message. It is unacceptable to display pictures of staff, students, the school, or school community without direct permission from the parties involved. St. Vincent email accounts only allow emails to/from the domain ([www.svhs-pet.org](http://www.svhs-pet.org)) and other school related whitelisted domains. St. Vincent issued emails are for school purposes only. Correspondence with colleges and parents should not be conducted through school email. Students are encouraged to set up a personal email address for college communication
- Ethics: To preserve a person's right to privacy and security, neither still photography nor video capturing is allowed on campus unless directed by a faculty member. Both disciplinary and legal action may be taken against persons not respecting these rights. Issues such as digital harassment, third party pictures, racial harassment, bullying, music sharing, pirating, pornography, gambling, offensive/inflammatory information, any violation that devalues the dignity of another person, violations of federal or state law, including those pertaining to threatening or obscene material are just some of the criteria of the use policy.
- Digital Identity: A person's online identity is their reputation. Writing, posting, pictures, etc. communicates many characteristics which may negatively affect a student's personal, professional, and educational careers. As representatives of SV, students must be diligent in maintaining a positive online identity.

The school recognizes parents as primary educators. As such, supervision of student use of technology relies on a partnership between parents and the school. While the school does filter the Internet on campus and monitor use in the classroom, it is the responsibility of parents to ensure appropriate care and use of technology at home per the guidelines above.

SV assumes no responsibility or financial liability for any damage the student or parent suffers including but not limited to:

- Theft
- Physical damage
- Loss
- Software malfunction
- Loss of Data

## **MONITORING**

SV has selected a technology protection measure (Internet filtering) for use with the school Internet system. The filtering technology will always be configured to protect against access to material that is obscene, illegal (i.e. child pornography) and material that is harmful to minors, as defined by the Children's Internet Protection Act. SV may, from time to time, reconfigure the filtering software to best meet the educational needs of the school and address the safety needs of the students. Files stored on the network are treated in the same manner as other school storage areas, such as lockers. SV reserves the right to inspect files stored on our network, including but not limited to, all forms of electronic communications.

## **DISCLAIMER**

SV has taken precautions to restrict access to controversial materials by filtering its Internet access and by monitoring student use. Users should know that they may encounter sexually explicit or other offensive and controversial material on the Internet, even though there are technology protection measures in place. SV makes no guarantees of any kind, whether expressed or implied, for the access it provides' nor shall it be liable for any direct or indirect, incidental, or consequential damages (including lost data, information, or time) sustained or incurred in connection with the use, operation, or inability to use the system. SV denies any responsibility for the accuracy or quality of information obtained through electronic information sources.

## **CELL PHONES AND PERSONAL ELECTRONIC DEVICES**

SV's goal is to limit the screen time use of phones throughout the school day. SV's goal is to encourage face to face conversation and interaction between students during the school day. We are instituting a new piloted program, Doorman, which is an application that disables the wifi for each student's phone throughout the school day.

Students may not use, or have cell phones on their person during class time. Starting in their 2nd period class, Students will tap their phone to the tag on the door of their 2nd period class to disable their wifi. They will put their phone into the classroom phone caddy before the bell to start class rings. Students are not permitted to access their phone during class time, for any reason. Students can retrieve their phone from the caddy when the dismissal bell rings. Student must remain connected to Doorman for the entirety of their school day, including passing periods and breaks. Students using their own computers must abide by the acceptable use policy. Students that do not comply with

Doorman must hand in their phone at the beginning of the day to the front office, and collect it at the end of the day.

Failure to turn in a cell phone during instructional time or school gathering will result in possible confiscation of the phone for one or more days, detention, weekend school or suspension. If a student did not bring a cell phone to school or has a confiscated cell phone, the student is responsible for checking in the main office for a cell phone card. Cell phone cards can be turned in to teachers in place of a phone. Cards must be returned at the agreed upon time or incur a \$20 lost card fee and possible consequences if used as a way to bypass phone turn in.

All device use is strictly prohibited in the case of an evacuation, shelter-in-place, or lockdown without express permission of the administration. Phones found to be accessible during testing will result in academic dishonesty discipline.

## **BRING YOUR OWN DEVICE (BYOD)**

We believe that technology can be used to enhance excellent teaching. We are a 1:1 school with each family providing a device for their student's time at SV. Families will have the financial flexibility to choose a device that works best for their student.

### **Laptop Requirements**

- The device must be a WiFi-capable Mac or PC with a full-size keyboard Examples include a MacBook Air, MacBook Pro, Dell XPS, Microsoft Surface, or Chromebook (Chromebooks cannot be used on the PSAT and SAT).
- Operating system requirements:
  - Windows 10 minimum (Windows 11 compatible starting 2025)
  - Mac OS Ventura [13] Compatible
  - Chrome OS Google Support through 2027 - [click here to check your Chromebook device](#)
- A screen of at least 7"
- 16 GB minimum memory (RAM)
- 500 GB minimum storage space.
- Students are expected to arrive each day with a charged device. There will be charging stations at school but an external powerpack is helpful
- Have an anti-virus/malware software installed. At a minimum, we recommend Avira Antivirus (free version)

### **Recommendations**

- A laptop warranty. Apple offers an additional 2-year warranty on their devices. A single repair can often cost more than the warranty cost.

- Back up the computer. This can be an external hard drive for use with Apple's Time Machine service or to store backup files or an online backup service such as Backblaze or Carbonite.

### **Additional Information**

- Certified Refurbished or renewed devices can reduce costs while maintaining quality and meeting the minimum requirements. Be sure the device meets the requirements above.
- Students need wifi access at home or a nearby location in order to complete homework assignments. Families needing financial assistance may qualify for free home internet access through the Internet Essentials program.
- The faculty and staff are available to troubleshoot issues and support student use of technology but do not provide hardware repairs.

Tuition Assistance is available. Please contact Admissions. For questions regarding your student's device, please contact the Director of Operations, Ms. Alison Falvey at [afalvey@svhs-pet.org](mailto:afalvey@svhs-pet.org).

## **DEPARTMENT OF ATHLETICS**

St. Vincent Athletics is committed to the total education of our students by providing a comprehensive, fair, and equitable program for the school community in a caring, supportive environment. The athletic program strives to enrich the mental, physical, and moral development of all students by integrating athletics in the school's education program. The athletic program strives for excellence with these primary goals as our focus. Championships, individual recognition, and the ability to compete are desirable outgrowths of an educationally sound sports program, but are secondary to the primary objectives of the athletic program. SV does not recruit students for its athletic program, nor does it offer athletic scholarships to students. All athletes will adhere to the general attendance, conduct, academic standards, and Student Service hour requirements to remain in good standing for their specific team.

### **ATHLETIC OPPORTUNITIES**

SV is a member of the California Interscholastic Federation (CIF), The North Coast Section and the NBL (2023-24). SV fields the following teams:

**Fall** Volleyball, Football, Cheerleading

**Winter** Men and Women's Basketball, Women's Soccer, Wrestling, Cheerleading

**Spring** Softball, Baseball, Women's Lacrosse, Men and Women's Golf, Men and Women's Tennis

### **ELIGIBILITY RULES AND REGULATIONS**

SV follows the eligibility rules and regulations established by the CIF and the North Coast Section and at times may even have stricter guidelines. Information regarding these regulations can be found at <http://www.cifncs.org/landing/index>.

### **SCHOLASTIC ELIGIBILITY**

Good academic standing is required for membership on a team. Scholastic eligibility standards will be enforced per CIF North Coast Section. All students entering SV from eighth grade will automatically be placed on probationary status in their first enrolled semester to ensure compliance with Bylaw 205.A. Reports cards will be checked prior to the start of the season and at each quarter grading period. Students are considered ineligible if the following standards are not met:

- A minimum grade point average of 2.0 on the most recent report card
- No F's
- No more than two D's
- Fulfill Student Service hour requirements
- Positive behavioral standing

A student can become eligible if the above standards are met on the date of the next quarter report card.

**To participate in extracurricular activities after school, (practices, games, dances, rehearsals/performances, etc.), a student must be present for at least 50% of their classes that day. Only the Dean of Academics can grant exceptions.**

If a student does not meet the criteria for eligibility at the mid quarter progress report, students are mandated to attend Mandatory Office Hours during the office hours period during the school day. Students who do not attend Mandatory Office Hours on designated B schedule days may not attend athletic or other extracurricular activities until they attend the next office hours period. Exceptions are made for reported absences.

## **ACADEMIC/ATHLETIC PROBATION** (as noted in the Athletic Clearance Packet 2024-2025)

To be eligible for co-curricular activities (athletics, debate, drama, leadership, etc.), the students must maintain a GPA of 2.00 at each quarter or be subject to probation ineligibility. After development reports are issued, the Dean of Academics will check grades with the online grading system. Should an "F" be recorded for any class on the development report, the student will be required to attend mandatory office hours (MOH). Until the F is removed, the student is ineligible to participate in practices or games until the F has been raised to a D or higher.

Any student who receives one "F" may be subject to Academic/Athletic probation as determined by the Dean of Academics. Any Student who has a GPA below a 2.00 will be subject to Academic/Athletic probation.

### **Athletics Eligibility Committee**

An eligibility committee composed of, but not limited to the Director of Athletics, the appropriate Academic Advisor, and Dean of Academics may review cases in which a student meets the minimum academic eligibility requirements set forth by the CIF North Coast Section, but fails to meet more stringent SV requirements. Reinstatement of a student's athletic academic eligibility may occur should the committee agree that a circumstance or circumstances beyond the control of the student significantly contributed to the failure of the student to meet the St. Vincent de Paul

standard(s). In such a case, the committee may impose conditions to the reinstatement of the student-athlete's eligibility.

## **PRE-SEASON STUDENT AND PARENT MEETINGS**

SV requires that all athletic programs hold a mandatory student and parent meeting after the team has been selected and prior to the first scheduled contest. The Head Coach, with the assistance of an athletic department administrator, is required to review with students and parents the following information:

- Clearly state both the mission and philosophy of the St. Vincent de Paul Athletic Department
- Team expectations and policies
- Review scholastic eligibility standards
- Conflict resolution protocol
- Distribute parent permission slips with season schedule to cover all scheduled events

## **COMMUNICATION GUIDE FOR PARENTS**

### **INTRODUCTION**

We are very pleased that your son/daughter has chosen to participate in the interscholastic athletic program for St Vincent de Paul College Prep. A goal of the Athletic Department is to provide our athletes with the best environment in which their sport experience may be as rewarding as possible. We believe that this goal may not be realized without appropriate lines of communication available to all parties involved. The "Communication Guide" has been developed to help coaches, parents, administrators and athletes communicate more effectively.

### **COMMUNICATION YOU SHOULD EXPECT FROM THE COACH**

- Philosophy of the coach.
- Expectations the coach may have for your child and the team.
- Locations and times of all practices and contests.
- Team requirements, for example: fees, special equipment, eligibility, attendance, off-season conditioning, etc.
- Procedure to follow should your child become injured during participation.
- Athletic Code of Behavior policy and any additional rules that may affect your child's participation.

### **COMMUNICATION THROUGH EMAIL OR OTHER METHODS WILL BE ANSWERED WITHIN 48 HOURS**

As your child becomes involved in the various athletic programs of St Vincent de Paul College Prep., it is our hope that he/she will experience some of the most rewarding moments of his/her life. It is important to understand that things may not always go as you or your child wishes. At these times,

discussion with the coach may be desirable (face to face is encouraged) to clear up the issue and avoid any misunderstanding. There are some items of concern, though, that must be left to the discretion of the coach. Our coaches are professionals. They make judgment decisions based on what they believe to be best for all student athletes involved under the circumstances present. They are with your child everyday after school and are always carefully evaluating what your child's strengths and weaknesses are and how to best foster their unique abilities to benefit both the athlete and the team. In order to foster an environment of mutual respect **It is our belief that the student athlete will speak to a coach face to face about any issue that is of concern.** This helps build trust between athlete and coach as well as help the athlete to learn and grow into a strong confident individual. Should the athlete not feel that their concerns have been heard then it may become necessary for the parent to step in. If this happens we will follow the protocol that follows.

#### **A. Step No. 1: Direct Conversation**

If a parent (complainant) has a disagreement or misunderstanding (not including playing time of their son or daughter) with a coach, the complainant should address the concern to the specific coach directly involved with the circumstances surrounding the concern. The coach will meet with the parent as soon as possible.

#### **B. Step No. 2: Fact and Possible Resolution**

If the complainant or the coach is not satisfied with the outcome of Step No. 1, or the complainant or coach is unwilling to meet independent of an administrator, a meeting with the coach, Athletic Director and/or Principal and complainant will be arranged at a mutually convenient time. This step is to be informal and verbal. No further action will be taken beyond Step No. 2 unless the complainant submits in writing a signed and dated statement of facts giving rise to this concern, the name of the coach involved and the remedy sought.

#### **C. Step No. 3: Formal Process**

If a complainant's concern is not satisfactorily resolved at either the first or second level, the complainant should then refer this concern to the board of directors in writing no more than five calendar days after the meeting in Step No. 2. At that time another meeting will be arranged at the convenience of the complainant and coach directly concerned. The coach has the right to be at all meetings with or without a representative as he/she so determines.

#### **D. Dispositions**

Dispositions at Step 3 will be sent in writing to all parties within ten calendar days of the meeting with reasons stated.

#### **E. Decision**

The decision of the Board is final.

#### **CHAIN OF COMMAND**

St Vincent de Paul College Prep in conjunction with its Athletics Department follows the chain of command listed below. We ask that you observe the

order of this line of communication if you elect to pursue any concern you may have with regard to the athletic program.

1. Head Coach
2. Athletic Director
3. Principal
4. Board Member

We hope that the information provided in this “Communication Guide” will help you and your child have a rewarding and enjoyable athletic experience.

## **SPORTSMANSHIP – Negative Commentary**

SV discourages and prohibits negative commentary toward officials and/or opponents. Disciplinary action will be taken if student-athletes or family members are found to be in violation of this policy.

### **CIF North Coast Section Sportsmanship Resolution – Code of Ethics**

It is the duty of all concerned with high school athletics:

- To emphasize the proper ideals of sportsmanship, ethical conduct, and fair play.
- To eliminate all possibilities which tend to destroy the best values of the game.
- To stress the values derived from playing the game fairly.
- To show cordial courtesy to visiting teams and officials.
- To establish a happy relationship between visitors and hosts.
- To respect the integrity and judgment of sports officials.
- To achieve a thorough understanding and acceptance of rules of the game and the standards of eligibility.
- To encourage leadership, use of initiative, and good judgment by the player on a team.
- To recognize that the purpose of athletics is to promote the physical, mental, moral, social, and emotional well-being of the individual players.
- To remember that an athletic contest is only a game – not a matter of life and death for the player, coach, school, officials, fan, community, state, or nation.

## **COMMITMENT OF ATHLETES**

All student athletes at SV are expected to uphold the highest standards of conduct toward teammates, officials, coaches, and opponents. Failure to abide by these expectations may lead to suspension or permanent dismissal from the team. Student athletes are expected to attend practices and games during a given season, including playoffs. Unexcused absences from practices and games will result in suspension or possible dismissal from the team. Coaches of each sport will clearly state their policies at the beginning of each season of sport.

## **P.E. EXEMPTION**

P.E. is a required class for all 9th grade students. Class of 2025-27 are also required to take a year of P.E. as part of their graduation requirements. For *only* the class of 2025-27, students requesting a P.E. waiver should consult their academic advisors.

## PHYSICAL

A SV physical form for the corresponding school year must be on file with the Director of Athletics before conditioning and/or team tryouts begin. Students who do not have a completed current SV physical form on file with the Director of Athletics will not be permitted to participate in an Athletics program and will be placed in Physical Education.

## RETURN TO PARTICIPATION POLICY

Students must provide written consent from a physician prior to returning to play following an injury that required a visit to the doctor/hospital. CIF regulations require a mandatory MINIMUM 7 day return to play protocol for a student athlete diagnosed with a concussion or head injury. The return to play protocol begins on the day of diagnosis, NOT on the date of injury. **Bylaw 524 Agreement for Student-Athlete and Parent/Guardian**

## REGARDING THE USE OF STEROIDS

Due to the increase of steroid use by high school athletes, the California Interscholastic Federation adopted a new requirement under Bylaw 524. As a condition of membership in the California Interscholastic Federation (CIF) SV has adopted the following policy prohibiting the use and abuse of androgenic/anabolic steroids as specified below. CIF Bylaw 524 requires that all participating students and their parents/guardians sign the agreement. By signing the SV Student/Parent Handbook agreement form we agree that the student shall not use androgenic/anabolic steroids or any dietary supplement banned by the U.S. Anti-Doping Agency as well as the substance synephrine, without a written prescription of a fully licensed health care practitioner to treat a medical condition. We recognize that under the CIF Bylaw 200.D the student may be subject to penalties, including ineligibility for any CIF competition, if the student and his/their parent/guardian provides false or fraudulent information to the CIF. We also understand that the SV policy regarding "Substance Abuse" will be enforced for any violations of these rules.

## CONCUSSION INFORMATION FOR PARENTS, STUDENT-ATHLETES AND GENERAL STUDENTS

Athletic concussion protocols generally apply to the student body population, *whether or not* the student is an athlete. SV follows the dictates of CIF and the most recent laws (AB2127) for the safety of your student. A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, **all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly.** In other words, even a "ding" or a bump on the head can be serious. You can't see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the

symptoms or signs of concussion yourself, seek medical attention right away. Students who suffer a concussion may be placed on a Concussion Care Plan (CCP) by the Athletic Trainer and Director of Student Support, to facilitate necessary academic modifications and accommodations. CCPs are reviewed and updated in coordination with the student's physician. The consent form for Impact Concussion Testing will be given to athletes at the beginning of each season they are to be tested. **For current information on concussions, visit <http://www.cdc.gov/ConcussionInYouthSports/>.**

## **UNIFORM, EQUIPMENT, EVALUATIONS AND FINANCIAL RESPONSIBILITY**

Student-Athletes are financially responsible for all uniforms and equipment loaned to them. Failure to return items constitutes financial obligation; lost items must be replaced or paid for a replacement cost. Uniforms and equipment should be returned in the same condition as they were received. Students who leave a team prior to the end of the season must turn in their equipment and uniform within one week.

## **PARTICIPATION ON NON-SCHOOL TEAMS AND USE OF NON-SCHOOL COACHES**

CIF North Coast Section Bylaw restricts a student's participation on non-school teams within the same sport during the high school season. The varsity head coach determines the team policy on simultaneous team participation when exceptions are permitted by the Section office. Currently, there are no exemptions granted to any of the sports offered at SV.

The in-season use of non-school coaches and/or trainers is permitted. To safeguard student health and team integrity, parents and students who employ such services are expected to make every effort to ensure that these activities serve to complement and not distract from team activities. Failure to do so may result in the student's removal from the team.

## **CUTS AND TRYOUTS**

Golf, tennis, volleyball, baseball, basketball, softball, and soccer hold tryouts and make cuts. Lacrosse and Football, normally do not cut unless the team size is too large and/or the fitness and/or skill level of the student-athlete is not within a safe range. All student athletes are required to fully participate in both practices and meets/games as outlined by each coach. Students going from one season to the next will be able to finish out their current sport and then get a tryout for the next sport once their season is finished (i.e. volleyball to basketball). When tryouts occur, all students are subject to being cut.

The head coach will first consult with the Director of Athletics prior to cutting a senior who has previously participated in that sport program.

## **SCHOOL HOLIDAYS AND PRACTICES AND GAMES**

Practices and games may be held during school holidays and breaks. Coaches will go over the requirements for practices and games regarding breaks. If a student is planning to play a sport, students should anticipate this if they decide to go out for a team.

## **SENIOR NIGHT RECOGNITION**

The Athletics Department will typically celebrate/recognize senior student-athletes with a simple ceremony on the date of the last home contest for each sport. The department is grateful for the assistance of team parent volunteers in coordinating these events. In order to ensure that proceedings are consistent with St. Vincent values and in compliance with applicable league rules and that no undue burdens are placed on team families, all plans for the ceremony, including themes, decor, and any possible gift collections must be submitted to the Head Coach and the Assistant Director of Athletics for Sports Information for formal review and approval well in advance of the event date.

## **IMPORTANT NCAA RULES**

NCAA Eligibility Center: All high school students who plan to participate in college at a Division I or Division II school must be certified by the NCAA Eligibility Center at [www.ncaa.org/eligibility-center.org](http://www.ncaa.org/eligibility-center). Students should check in with the College Advising Office during their junior year to get the necessary information and deadlines.

## **STUDENT INSURANCE**

SV participates in the student insurance program of the Diocese of Santa Rosa. If the student gets hurt during school activities, SV provides insurance to help with the cost of medical treatment not covered by other insurance personal insurance. This “school-time accident” insurance is designed to cover some, but not all, of the possible costs. All injuries suffered by an athlete must be reported immediately to the coach and Athletic Trainer. This is the responsibility of the athlete. An injury report form must be filled out and signed by a parent. Accident claim forms are available at SV.

## **PARENT ORGANIZATIONS**

### **MUSTANG ATHLETIC CLUB (MAC)**

The Mustang Athletic Club’s objective is to foster and provide cooperation, understanding, and communication between the parents, students, faculty, administration, and the outside community with the athletic department. MAC endeavors to encourage parent, faculty, and student participation in the support of the athletic department while providing opportunities for volunteerism and service.

***Please refer to the school website and calendar for more information on Advancement, fundraising, alumni, parent engagement opportunities and events.***

- Drivers shall follow route directions, caravan, or other directions issued by the coach, teacher, or adult in charge of the group.
- The driver, or a passenger in the vehicle, is encouraged to carry a cell phone and the phone number of the school in case of an emergency.
- SV assumes no liability for accidents which cause bodily injury or property damage, and which result from the use of any privately owned vehicle as described herein.
- Because SV is a commuter school drawing students from a large geographic area, and because parents’ work hours may prohibit them from driving, it may be necessary for students to drive other students to and from school. Be advised that SV assumes no responsibility for any of the “car-pooling” arrangements and will not monitor nor supervise any such arrangements. All “car-pooling” arrangements are entered into at the driver’s and passenger’s own risk and SV assumes no liability for any and all claims arising out of “car-pooling” arrangements

### ALLERGIES

Numerous students on campus have life threatening allergies to various foods (nuts, milk, shellfish, gluten), latex, plastic, nickel, and many other items. SV is not an allergen free environment and cannot meet all requests for accommodations. **SV does not provide a school nurse.** High school students and their parents are expected to be proactive about students' consumption of any food that is not prepared at home and brought to campus for their student. All students should be treated with respect concerning their medical condition and should not be subject to any criticism or recrimination. No food should be dispersed to another student without their knowledge of how it was

prepared (i.e. in a nut free environment or cooked in certain oils, etc.) If your student needs additional resources, contact the Front Office. **STUDENTS WITH ALLERGIES, please inform the Front Office to list in the students profile all allergies.**

## **ASSEMBLY INFORMATION**

SV does not provide a school nurse, parents and students must bear the responsibility for contacting the school with any health-related concerns. Parents of affected students are encouraged to inform the Dean of their student's confidential medical condition to best meet the needs of their child.

**Students who use their electronic devices to notify parents to pick them up because they are ill must report first to the main office so that St. Vincent de Paul personnel can assist them. It is imperative that students follow this procedure for their safety and welfare.**

- Immunization forms must be completed and on file or students will be denied admission to SV.
- Any student who has a severe allergic reaction or medical condition of any kind or who may have to take prescription medicine during the school day or during a school-related event, is required to complete the medical and parent authorization form and return it to the Dean. The student and their family are responsible for providing the proper, non-expired medicine from their doctor with clear, written instructions for administering. SV is not an allergen free environment and cannot meet all requests for accommodations.

### **SV does not provide a school nurse.**

- Students with severe allergies, or other types of conditions that require the use of immediate medication such as an EpiPen, Glucagon shot, or an inhaler, may carry these on or off campus. **It is strongly recommended that students needing these types of medication have back up medications in the main office.**
- Students may not carry any medications on campus with the exception of personal use (3 or 4 pills) amounts of aspirin or aspirin type substances, with parent authorization.
- Students may not share their medications with other students at any time or disciplinary action may occur.
- Medical release forms are available to parents to allow a school official, in case of emergency, to permit medical treatment for a student when parents cannot be contacted. It is important for parents to complete and return the forms by the first day of school and to inform the school of changes during the school year. If a student needs immediate medical attention, an ambulance will be called. The school will not be responsible for the fees involved in ambulance transport.

- Any student with hearing or sight problems or any other physical condition that may affect their learning process should inform the Director of Student Support. Teachers will be advised to adjust in classroom seating.
- Any student with a physical condition that would prevent them from participating in physical education classes should provide a physician's written statement to the P.E. Department Chair.
- Students who participate in field trips, retreats or overnight events should assure that their leader has received a copy of their medical form and that they supply any prescription medication needed during the event. Students may not carry prescription medications at off campus events (exception, inhalers, glucagon shot, EpiPens.)
- **Contagious or Infectious Diseases** – Students whose absence from school is due to a contagious disease (i.e. chicken pox, pink eye, mononucleosis, strep throat, hepatitis, or any other possible contagious disease) will be required to follow current Sonoma County Office of Education protocols.
- Any student who has lice must stay home until they have completed at least the initial removal treatment.
- AIDS/HIV Students do not pose a health risk to other students or staff in the classroom setting or involvement in co-curricular activities. Affected students shall be allowed to attend classes and participate in activities without restrictions as long as they are physically able, and do not have compounded infectious diseases related to AIDS/HIV.

## **ID CARDS**

Student Body Cards are issued to all SV students and should be kept in a safe place at home. This card may be required at various school functions. A replacement card is available for \$10.00 from the school office. A second replacement card will be \$50.00.

## **LEGAL CUSTODY ISSUES**

SV abides by the provisions of the Buckley Amendment with respect to the rights of noncustodial parents. In the absence of a court order to the contrary, SV will provide a non-custodial parent with access to academic records and other school information regarding his/their child. If there is a court order specifying that there is to be no information given, it is the custodial parent's responsibility to provide the school with a court-certified copy. Never married parents should also have custody documents on file as needed. This information will help school officials in determining when, if ever, the child or their records may be released to the non-custodial parent.

## **LOCKERS**

During the regular learning schedule, each student is provided with a locker. Students may not trade lockers without clearance of the Registrar's office. Lockers must be kept locked at all times. Students may not use tape on or write on their lockers. Magnets may be used on the inside only. The school takes no responsibility for lost or stolen articles. There will be a \$75 minimum charge each semester for any damage to the locker or if the locker is not cleared at the end of the school year. A student should never give out their locker combination. Detention will be issued to students who violate the locker policy. Students must clean out their lockers by the last day of school. All items left after the last day will be donated or thrown away.

## LOST AND FOUND

Students should put their names on their books, clothes, or any other valuable items. SV is not responsible for lost items. Each day items that have been misplaced will be taken to the designated area in the Quad. At the end of each quarter, items that have not been claimed will be donated.

## PARKING

Parking at SV is a privilege. A parking contract/registration form is available to students who have a valid license that is, or will be, valid on the first day of school. The parking pass may be picked up on the designated day from the ASB Moderator or their designee(s). Parking fees are as follows for 2025-2026: **\$40 for a permit. Seniors Only: If you would like to paint your parking spot, an additional \$20 is required.**

## PHOTOS – STUDENTS

Use of Student's photo and name (See Release of Liability, Assumption of Risk, And Indemnity Agreement.)

## PHYSICAL DISPLAYS OF AFFECTION

Because physical displays of affection are exclusive behavior, they can detract from the St. Vincent de Paul spirit. Therefore, it is inappropriate for students to engage in public, exclusive physical displays of affection on school grounds at any time. This includes, but is not limited to, prolonged holding, kissing, and caressing.

## PROTESTS

Protests are not allowed; however, students are encouraged to speak and work with administration about any concerns.

## **SEARCHES**

The school administration has the right to conduct a search of a student and the physical plant and grounds of the school, without notice when the general good of the student and/or school community is in question and/or at the discretion of Administration. This includes lockers, backpacks, cellular telephones, and technology devices and automobiles on or at off-campus events. A student search occurs with a same sex supervisor and a same sex witness.

## **SMOKING/VAPING**

Smoking/vaping will not be allowed at any school function or anywhere on school premises. A student found smoking/vaping will be suspended.

## **STUDENT PROPERTY**

Students are solely responsible for their own personal property; this includes students' vehicles. The school accepts no responsibility for non-school owned items.

## **SUPERVISION OF STUDENTS ON CAMPUS**

School office hours are 7:30 A.M.–3:30 P.M. The campus is opened at 7:30 A.M with a member of the maintenance staff and a school administrator on campus. SV does not provide organized supervision before or after school, with the exception of school organized activities. When classes are in session, faculty and staff are assigned to supervise students at lunch. Students who are not part of an after-school activity or event, must leave campus by 4:30 P.M.

When a student reports to his/her first period class, this is the school's first official notice that the student is on campus. If a student arrives before classes begin, they are not required to remain on campus.

## **TEACHER LATE TO CLASS**

If a teacher does not arrive to class within five minutes after the start of class, a single student should notify the main office. In the meantime, the rest of the class must wait quietly. Students who leave the area are subject to detention.

## **USE OF SCHOOL NAME, LOGO, OR SEAL**

The use of the SV logo or seal on documents or items other than official school materials is forbidden unless approval is granted in writing by the Principal of SV.

## **VISITING THE CAMPUSES OF OTHER SCHOOLS**

Students may not loiter on or around the campuses of other schools, public or private, while they are in session. SV students guilty of unauthorized visitations to other schools, at any time, shall be suspended. SV students guilty of vandalism to the property of another school are responsible for all damages and are subject to expulsion.

## **VISITORS**

Upon arriving, visitors should report to the office. All visitors are required to sign in and will receive a visitor's pass.

## **STUDENT VISITORS**

Students who wish to visit SV during school hours must have clearance by Admissions, Administration or Guidance. The parent's written consent must contain the following information:

- Parent name
- Phone number
- Name of current school
- Emergency contact

Consent from the student's current school is sufficient if the student is from a feeder school. Students who have previously attended SV and are enrolled in a different high school may not be on campus during school hours without clearance from the Campus Supervisor's office. A St. Vincent alumna may visit campus during school hours; alumna must sign in and receive a visitor pass.

## **YEARBOOK PICTURE – JUNIORS, SOPHOMORES, FRESHMEN**

All students are required to take a yearbook and student ID card picture. Purchase of pictures is optional. Students must take pictures on the designated picture day. Only students who were off campus on the scheduled day will be allowed retakes. No other retakes are allowed.

## **YEARBOOK PICTURE – SENIORS**

The student is required to be in a drape or graduation gown for their senior portrait that is placed in the yearbook. The picture used for the senior portrait will be used for the graduation ceremony. Failure to take a senior portrait will result in the SV crest being used for the picture during all graduation events. Seniors are also required to obtain a picture for the mandatory student ID card.
